

CREATE 2be GREAT Internship Program

Program Overview

The CREATE 2be GREAT Internship Program is designed for passionate, driven, and creative individuals who want real-world experience in the creative industries. Interns will work alongside the founder to help run and grow a one-stop shop for creative entrepreneurs. This is a hands-on, portfolio-building experience where you'll gain skills in business operations, marketing, content creation, and studio/production. Our internships are designed to last **6–12 months**, providing enough time for interns to truly develop their skills, build meaningful projects, and contribute to long-term initiatives within the company. This sustainable approach ensures that interns leave with strong portfolios, confidence in their skills, and valuable professional connections.

Internship Tracks & Roles

- **Executive/Operations Intern:** Assist with scheduling, emails, client communication, project tracking, and business operations.
- **Creative Media Intern:** Support with graphic design, photography, videography, and editing to create promotional content.
- **Marketing & Social Media Intern:** Manage CREATE 2be GREAT's social media accounts, plan campaigns, and track engagement.
- **Studio/Production Intern:** Assist during recording sessions, learn audio editing, and gain practical music industry experience.
